ISC launches IPC/WHMA-A-620 certification program

ISC Engineering conducting a comprehensive training program for 100% employee certification to the IPC/WHMA-A-620.

Alex Contreras, ISC's Quality Manager will be conducting the training in Chino, Ca. at ISC's Training Center. Alex has recently certified to the IPC Application Specialist Training in Denver, CO.

Target date for completion is the end of 2010.

ISC is a leading supplier of custom molded cable assembly products, including design, development and production. The company is vertically integrated with in house tooling and design to complete production.

For information, please contact Steve Burk at ISC Engineering, 4351 Schaefer Avenue, Chino, CA. 91710 Tel. 909-203-1105 or sburk@iscengineering.com
